Time flies! Spring is coming and we have 2 Artist Getaways in May. Come spend 5 days painting on the Sonoma Coast and then 5 more days in the Sierra Foothills.

Also stay tuned for the [Benicia Plein Air Gallery](#)'s first Annual Plein Air Paint Out. John Finger is the judge and our Benicia Plein Air Paint Out Committee is planning a great event for August 27. When the registration is ready I will send another email. Mark your calendars!

Recently I searched for places to find calls for artists and I posted several of them on the Artist Getaway website under [Art Competitions to Enter](#). I hope this comes in handy for you. It does for me!

Thanks for reading, I hope to paint with you this year!
